

PRIVACY POLICY

In this page, the methods of managing the website with regard to the processing of personal data of users who consult it are described. This is the information provided in accordance with Article 13 of the European Regulation 2016/679 to those who interact with the company's web services. The information is provided only for this website and not for other websites that may be consulted by the user via links. The information identifies some minimum requirements for the collection of personal data online, and, in particular, the methods, times, and nature of the information that data controllers must provide to users when they connect to web pages, regardless of the purposes of the connection.

DATA CONTROLLER

Following consultation of this website, data relating to identified or identifiable persons may be processed. The "controller" of their processing is OMAG SNC - Via Co' di Sotto, 15/22 - 43018 - Gramignazzo di Sissa, VAT: 02623160344.

DATA PROCESSING LOCATION

The processing related to the web services of this site takes place at the company's headquarters and is only handled by technical personnel of the Office in charge of processing, or by any persons in charge of occasional maintenance operations. No data deriving from the web service is communicated or disseminated.

TYPES OF DATA PROCESSED

Browsing data: The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. These are information that is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of the computers used by users who connect to the site, URI (Uniform Resource Identifier) addresses of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.), the number of visits, the pages visited, and other parameters relating to the operating system and the user's computer environment. This data is used solely to obtain anonymous statistical information on the use of the site and to check its correct functioning and is deleted immediately after processing. The data may be used to ascertain liability in the event of hypothetical computer crimes against the site: except for this possibility, web contact data do not persist for more than seven days. The optional, explicit, and voluntary sending of electronic mail to the addresses indicated on this site entails the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message. Specific summary information will be progressively reported or displayed on the pages of the site prepared for particular services on request. For the purposes related to requests for information, the processing of personal data is based on Article 6.1.b) of Regulation 2016/679 as the processing is necessary for the

provision of services or for responding to requests from the data subject. Specific information can be viewed by clicking on the links indicated on the website.

USE OF COOKIES

Regarding the methods of using cookies, please refer to the further and specific "extended information" published on this site and prepared in accordance with what is provided for by the Provision of May 8, 2014, issued by the Italian Data Protection Authority, which integrates and completes this document.

OPTIONALITY OF DATA PROVISION

Apart from what is specified for browsing data, the user is free to provide personal data. Failure to provide them may result in the impossibility of obtaining what is requested.

DATA PROCESSING METHODS

Personal data are processed using automated tools for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are observed to prevent data loss, illicit or incorrect use, and unauthorized access.

TRANSFER TO THIRD COUNTRIES

Any transfers of personal data to a third country outside the European Union or to an international organization will be based on a decision of adequacy by the Commission or, in the case of transfers referred to in Articles 46, 47, or 49(2) of the European Regulation, on appropriate and suitable guarantees.

RIGHTS OF THE DATA SUBJECTS

Individuals to whom the personal data refer have the right at any time to request access to the data and their rectification, deletion, limitation of processing, the right to object to processing, as well as the right to data portability; they also have the right to lodge a complaint with the Supervisory Authority. Requests should be addressed to the Data Controller by writing to: info@omag-snc.it. The controller reserves the right to modify, update, add, or remove parts of this privacy policy at its discretion and at any time. In order to facilitate such verification, the information will contain the update date.
